

Join hands with the Belton Youth Advisory Commission

April 1, 2017 Community Service Event

One Community One Day is a city-wide service project organized by the Belton Youth Advisory Commission and the City of Belton. The goal is to spend a morning working together to help the community.

Need a hand to complete a project around the house?

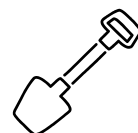

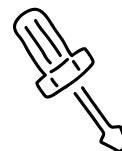

Service projects are to last three hours (9:00 a.m. to 12:00 p.m.) and can include window washing, yard work, minor painting and other minor external home repair. Work inside of a home will not be allowed.

To request assistance, please follow the directions on the back of this form.

Projects will be reviewed by City of Belton staff and approved based on need, ability to assist and application date.

Interested in helping your community?

Help is needed in identifying Belton citizens who need minor home repair or yard work and are willing to accept help from volunteers. In addition, volunteers are needed to assist with projects. Any business, church, social/civic organization or household that would like to volunteer on Saturday, April 1, 2017, please contact Belton Parks & Recreation at 254-933-5861, or email parksandrec@beltontexas.gov.
